## INTRODUCTION

### About your Personal Reading

This reading was composed for you personally, Bill, and is based on your full name at birth, your date of birth, and the name you now use to introduce yourself. Please check your birth data on the title page to make sure the names and date of birth used are correct.

If you have two or more middle names or last names, you may find the names strung together. This is necessary to make Transit and Essence cycles function correctly. For example, the name John Patrick Henry Hancock would appear on the title page as John PatrickHenry Hancock.

Bill, your Personal Numerology Reading describes all aspects of your chart as they are understood in numerology, accurately and in-depth.

Each chapter starts with a short introduction telling you where this particular number is found and how it affects you. This is followed by the number itself. Often, you will find a double digit number followed by a single digit.

The meaning of your number is then explained in easy to read language. Bill, you don't need to know anything about numerology to be able to enjoy and benefit from this reading.

I hope you will enjoy your reading.

## LIFE PATH

If ever there was a moment of total transformation, it was the moment of your birth. In that instant, you stepped through a door in time into a new reality -- the reality of human life. The most important number in your numerology chart is based on the date of your birth, the moment when the curtain goes up in your life.

Even at that moment, you were a person with your own unique character, as unique as your DNA. Everything that is you existed in potential, much like a play that is about to begin. Your entire life exists as a potential that has been prepared for. Bill, you have ultimate freedom to do with your life as you like: To fulfill its potential completely, or to make some smaller version of yourself. It all depends upon your effort and commitment. You make the decisions to fulfill, to whatever extent, the potential life that exists within you. That is your choice. In this sense, the possible you is implicit during the moment of your birth.

The Life Path number gives us a broad outline of the opportunities, challenges, and lessons we will encounter in this lifetime. Your Life path is the road you are traveling. It reveals the opportunities and challenges you will face in life. Your Life Path number is the single most important information available in your Personality Chart!

## ***Your Life Path is 11/2***

Bill, you have the potential to be a source of inspiration and illumination for people. You possess an inordinate amount of energy and intuition. There is so much going on in your psyche that you are often misunderstood early in life, making you shy and withdrawn. You have far more potential than you know.

You galvanize every situation you enter. You inspire people, but without your conscious effort. Energy seems to flow through you without your controlling it. This gives you both power and sometimes emotional turmoil.

You are a channel for information between the higher and the lower, between the realm of the archetype and the relative world. Ideas, thoughts, understanding, and insight -- all of these can come to you without your having to go through a rational thought process. There seems to be a bridge, or connection, between your conscious and unconscious realms, attuning you to a high level of intuition through which even psychic information can flow.

All of this amounts to a great capacity for invention. Many inventors, artists, religious leaders, prophets, and leading figures in history have had the 11 prominent in their chart.

Because you are so highly charged, you experience the consequences of a two-edged sword. You possess great abilities, but indulge in much self-reflection and self-criticism. You often feel highly self-conscious. You are aware on some level that you stand out. Even when you try to blend with your environment, you often feel conspicuous, alien, and out-of-place.

Bill, you are blessed with a message, or a specific role to play in life. But you must develop yourself sufficiently to take full advantage of that opportunity. Until that time, your inner development takes precedence over your ability to materialize the great undertaking you were chosen to perform. Consequently, 11s seem to develop slowly, but they simply have more to accomplish in their evolution than the average person. Thus, your real success does not usually begin until maturity, between the ages of 35 and 45, when you have progressed further along your path.

You may often be frustrated, largely because you have extremely high expectations of yourself. But these expectations can be unrealistic, and can prevent you from accomplishing anything. You can be very impractical, envisioning a skyscraper when all that was necessary was a two-story house.

You may also suffer from bouts of confusion and lack of direction. This gives rise to loss of confidence and the onset of deep depression. The cause of these emotional problems is your lack of understanding of your own sensitivity and potential. Your desire to achieve some great ambition is enormous. However, a lack of confidence in your own ability to realize this dream may cause you much frustration. You sense the enormous potential you possess, which requires equally enormous confidence in your ability to materialize your dream. Confidence is the key that unlocks your potential.

On a strictly physical level, you must protect your nervous system, which is

inordinately vulnerable to stress because of your acute sensitivity. Depression is often the result of long periods of stress that have gone unrelieved. Seek out peaceful and harmonious environments, relaxing music, and follow a healthful diet in order to restore balance and peace.

As an 11 Life Path, you are a highly charged version of the 2 and possess many of the characteristics and talents of that number.

You can be extremely diplomatic and tactful. You are also patient and cooperative. You work well with groups and somehow find a way of creating harmony among diverse opinions. You enjoy music and poetry and require a harmonious environment. You have an eye for beauty and a fine sense of balance and rhythm. You have healing capabilities, especially in such fields as massage, acupuncture, physical therapy, and counseling.

Bill, you are a sensitive and passionate lover; your perceptiveness makes you aware of your partner's needs and desires, which you are able to fulfill with almost magical delicacy. However, when you feel you have been mistreated or jilted, you can react with devastating power, sometimes using personal criticisms vindictively.

You are a fine companion and possess a good sense of humor.

When you have found your niche in life and begun to realize your true potential, your rewards will more than compensate for your trials earlier in life.

## **BIRTHDAY**

The day you were born bears great significance in understanding who you are and where your talents lie. The day of birth indicates some special talent you possess. It is a gift to you that will help you along your Life's Path. Your day of birth is one of your four core numbers -- the Life Path, Expression, and Heart's Desire being the other three. It is the least significant of the four core numbers, but perhaps the most finite, in that it reveals a specific ability you possess in a marked degree.

### ***Your Birthday is 19***

Bill, you are highly determined and yearn for independence. You tend to struggle to achieve the degree of self-sufficiency you desire, and may endure considerable frustration in your struggle for independence. The reason: your desire for independence is so strong is that it eclipses so many other balancing perspectives. As the poet John Donne said: "No man is an Island unto himself... We are all bits of the main." This is a central lesson in your life: to learn the difference between the dream of independence and the reality of interdependence.

Your challenge is to achieve a wider degree of perspective on yourself and others. Exchange ideas with others, lest you become insulated and isolated by your own perspective. This can become a kind of prison for you.

You can be highly stubborn, which emanates from fear. Try to see that all of life is but an ecosystem, a life cycle delicately balanced in such a way that everyone is supporting.

Bill, you are highly ambitious and have a strong drive for success and power. Although self confident, you like to be encouraged. You are a hard worker and an important fixture in any enterprise in which you are involved. People are attracted to your deep commitment to your work, and the steadiness with which you do it.

You are a pioneer at heart; you are willing to take risks to get what you desire. As such, you are willing to change your environment often, and even enjoy doing so.

You are demonstrative in your affections and willing to sacrifice for others. You are highly idealistic, but if your ideals fail, you can become bitter and negative.

You are very sensitive, with many emotional ups and downs. Bill, you tend to find yourself in dramatic situations, yet you like to control your emotions in public and come off as if everything is under control.

With your determination and inventive and creative mind you have potential for achievement and financial reward!

## **EXPRESSION**

Your Expression number reveals your physical and mental constitution, the orientation or goal of your life. Some numerologists refer to this number as the Destiny, because it represents a lifelong target at which you are aiming. You work at fulfilling this potential every day of your life. Thus, the Expression number reveals your inner goal, the person you aim to be.

The Expression number reveals the talents, abilities, and shortcomings that were with you when you entered your human body. Your name, and the numbers derived from it, reveals your development, as well as the talents and issues you will be working with during this life.

For those for whom reincarnation is an accepted philosophy, the vibration of your full name can be seen as the totality of your personal evolution, the experiences, talents, and wisdom accumulated over many life times. Every experience, no matter how great or small, along this evolutionary path has influenced your development, and brought you to your current state of being.

The Expression is your being; the Life Path is the major lesson you are attempting to learn this time around. Time allows the gradual emergence of your personality. By reading the Expression number below, you will come to understand your basic nature and the abilities and issues inherent in your being.

### ***Your Expression is 21/3***

Bill, you are optimistic, inspiring, outgoing, and expressive. People see you as cheerful, positive and charming; your personality has a certain bounce and verve that so powerfully affects others that you can inspire people without effort.

All of this upward energy is a symptom of your tremendous creativity. Your verbal skills may well lead you into the fields of writing, comedy, theater, and music.

Yours is the number of self-expression -- rich in imagination and spirit. But you have to be careful not to scatter your talents. Your bane is that you often lack discipline and order in your life. Avoid becoming a "happy-go-lucky" spendthrift, escaping responsibility and commitment. You must learn to concentrate and focus.

These are the keys to your success. You have great potential in the arts and areas that requires creative solutions to problems. You are able to perform leaps of imagination, providing unconventional ideas as if they suddenly descended from above. Hard work and focus, however, are the foundation for a successful future.

Though you possess great verbal skills, your mind tends to see life as pictures rather than in words. Yet, you have the ability to think abstractly.

Creativity is a sensitive faculty that is often suppressed in childhood. If you lack the confidence to pursue your ideas, you may divert your abilities into a scattering of trivial pursuits.

To overcome this problem, you must make a choice. Bill, you have to limit your field of vision and the number of activities you engage in, and bundle your energies into a single thrust. Focus your life; choose the area that you love the most, and commit. There, you will find success. And a great deal of happiness.

Love, romance, and money are within your reach. You are aided by your friends and admirers. Often people appear out of nowhere to help you in key situations. Bill, you have to learn to accept the involvement of others in your life. You are not a loner, nor are you particularly independent. You are social -- you need an audience and the support of others to fully realize your abilities.

On the down-side, you can be superficial, moody, and intolerant. You are emotional and sensitive, sometimes presuming criticism where none was intended. You can also be jealous and gossipy. Beware of becoming cynical and sarcastic. These traits can suppress your natural creativity.

Be goal-oriented. This is a practical, step-by-step approach to your larger ambitions. You possess the natural abilities to attain a high degree of excellence.

## **MINOR EXPRESSION**

The Minor Expression number is based on the current (or short) name; the name you now use to introduce yourself including your last name.

The influence of the short name is minor in comparison to your full name. Interestingly, the short name often compensates in some way for numbers (and their related characteristics) that are missing or out of balance in the full name.

For instance, a number missing in the full name may show up prominently in the short name; or a number (or numbers) that appears in excess in the full name can be compensated for in the short name. If a name change takes place later in life through marriage or for professional reasons, it adds or subtracts certain qualities. It can also focus and intensify existing characteristics or talents that may be latent.

### ***Your Minor Expression is 14/5***

Your short name adds considerable flexibility and versatility to your personality. Bill, you now enjoy more travel and adventure. You are more curious about people, new places, and seek out more excitement in life.

You are more dynamic and alive. New and original ideas come quicker to you. You are a good deal more creative. Your verbal skills are increased and your ability as a salesperson or promoter enhanced.

You suffer more when confined by restricted spaces or rigid rules. You yearn for greater freedom of movement and expression. You are more likely to strike out on your own, with your own ideas or methods.

## **HEART'S DESIRE**

Your Heart's Desire is the inner you. It shows your underlying urge, your true motivation. It reveals the general intention behind many of your actions. Consequently, it dramatically influences the choices you make in life. The Heart's desire is seen as part of the larger picture, called the core numbers, which includes the Life Path, Expression, Day you were born, and Personality. But each points to a different aspect of you.

The Expression number reveals your talents and abilities, and your general direction in life. The Life Path is the central lesson you came into the world to learn. The Day you were born is very closely connected to your Life Path. It reveals specific talents you possess, which will be helpful to you in dealing with your Life Path. The Personality reveals how people tend to see you. It also demonstrates what characteristics you are projecting to the world. The Heart's Desire demonstrates the identity of the soul that joined the earth -- you, the spiritual being.

### ***Your Heart's Desire is 14/5***

Freedom is essential for your happiness. Bill, you love change, new experiences, meeting new people, adventure and travel. You love the exotic, far away places. Variety is more than mere spice of life -- you thrive on it. You are extremely flexible and adaptable. You have more curiosity than the proverbial cat. You have a sharp mind and a natural ability with words. You are a born communicator, clear, fluent, and imaginative in every area that interests you -- which are many!

Your Heart's Desire makes you very well equipped for life. Change -- the only constant in life -- doesn't threaten you, as it does other people. You are highly resourceful. Generally, you can think clearly in a crisis; you have good mental and physical reflexes. Whenever you fall, you tend to land on your feet.

Bill, you are highly enthusiastic. You get excited easily over a new idea or opportunity. Your nature is unconventional. You are a bit of a gambler, taking risks whenever you think the rewards are worth it.

You are very socially oriented and rarely, if ever, dull or boring. You are, of course, drawn to those people who, like yourself, are original thinkers and have exciting personalities.

Bill, you enjoy being involved in several projects at the same time. You need continual stimulation by the new and fascinating. You tend to discard boring pastimes quickly.

Your love of freedom and change can have numerous consequences. You can be irresponsible, especially when it comes to finishing tasks. You have a hard time persevering at a given project and bringing it to completion.

You must be careful that your love of sensory pleasure doesn't lead you to excessive indulgence in alcohol, food, sex, and even drugs.

Bill, you are a bit of a hero and want to save the world. This causes you to make promises you often cannot keep. Down deep, you long to please everyone, an impossible goal.

Many 5s can be emotionally superficial. They feel love passionately, but fear making deep and lasting commitments. As a result, they resist the depths of emotional attachments and remain on the surface where it is safe.

You will experience many changes and unusual events, but you learn best through experience. Therefore, your life will be full and you will make great strides in personal growth.

## **MINOR HEART'S DESIRE**

The Minor Heart's Desire number is derived from the vowels of your current name; the name you now use to introduce yourself. The current name is a refinement of the more complex qualities of your longer name (the full name at birth). It sharpens and bundles the energies that are reflected by your full name. It intensifies certain aspects of your being, and de-emphasizes others. For this reason, the short name often provides insight into what you truly want in life. It also often reveals the extent of your understanding of what you want from this life. It reveals both your strong desires, and the limits you place upon your potential.

Your feelings about your current name are different from your full name. It affects how you feel about yourself; it changes your identity slightly.

### ***Your Minor Heart's Desire is 15/6***

Bill, your short name increases your capacity to radiate warmth, solicitude, and kindness. You are more patient with others and a far better listener. Your willingness to carry the burden of others is increased.

Your Minor Heart's Desire increases your creativity and your domestic instincts. Women feel better at home; men feel more comfortable in the roles of husband, father, and provider.

Your sense of harmony and social consciousness are enhanced. You are better able

to settle disputes.

Six is the most balanced of all numbers, in harmony with all other numbers. Very few people with 6s in prominent places stray very far from their true natures.

## PERSONALITY

Your Personality number is derived from the consonants of your full name at birth. Your Personality is like a narrow entrance hall to the great room that is your true nature. It is those aspects that you feel comfortable sharing with people at the outset of a relationship. With time and trust, you invite others into the deeper aspects of your nature; you reveal more of who you really are, in effect, your Heart's Desire, Expression, and so on.

Your Personality number often serves as a censoring device, both in terms of what you send out, as well as what you allow to approach. It discriminates in the kinds of people and information you let enter your heart and mind. For this reason, your Personality is usually much more narrow and protective in its definition than the real you. It can screen out some of what you do not want to deal with -- people or situations -- but it also welcomes those things that immediately relate to your inner nature.

Your Personality number also indicates how others perceive you. No one can be objective about himself or herself. Even our closest friends and relatives have trouble describing how they see us.

### ***Your Personality is 16/7***

Bill, you seem mysterious and different. People see you as serious and studious. You are highly independent and self-sufficient. Your exceptional intelligence and wisdom are quickly noticed, people respect you. You are not one to attract people on the basis of your warmth or compassion -- though you may be loaded with both -- but because of your obvious insight into life's mysteries.

You are hard to get to know. You are often withdrawn. It is common for people to see your focus turn inside of yourself in the middle of a conversation.

You have the makings of an intellectual and an aristocrat but you have to guard against arrogance and an attitude of, "I've got it all figured out".

There have been periods in your life when you had little concern for your clothing or fashion, while at other times you are very aware of your clothing and use it to make a specific impression.

You appear dignified no matter how you dress., but a well groomed seven with a touch of dash definitely has an advantage. Your confidence increases when you know you are well dressed.

Bill, you are recognized as spiritual and religious, with your very own ideas regarding the purpose of life and the Creator.

You are an inspired speaker, but only when discussing subjects that really interest

you. Otherwise, you are not one for chatter.  
Your love of knowledge and wisdom shows.

## **MATURITY**

Your Maturity number indicates an underlying wish or desire that gradually surfaces around age thirty to thirty-five. This underlying goal begins to emerge as you gain a better understanding of yourself. With self-knowledge comes a greater awareness of who you are, what your true goals in life are, and what direction you want to set for your life. This, in a nutshell, is the gift of maturity: You no longer waste time and energy on things that are not within your own special identity.

No matter what your age is at present, your life is being channeled in a specific direction, toward a very specific goal. That goal can be seen as a reward or the fulfillment of a promise that is implicit in your current efforts, often without your knowing it consciously. While the characteristics of this number are usually visible during childhood, we tend to lose sight of these aspects until later in life. But our lives are always being affected by this influence, nonetheless.

Your Maturity number begins to have a more profound impact on your life after the age of 35. The influence of the number increases steadily as you grow older.

### ***Your Maturity is 5***

There is no slowing you down as you enter maturity. Bill, your influence grows as you become more dynamic and versatile. You now begin to realize your lifelong goal of freedom.

There will be travel and adventure, exciting and unexpected events. Your originality, creativity, and verbal abilities grow stronger.

You will become interested in areas you never before considered. You may have a tendency to become restless and impatient. You may quickly lose interest or become bored with projects that progress slowly. Perseverance is tested, especially because you may find it easy to abandon things that no longer hold your interest. You will have to work to maintain your concentration, discipline, and focus. Do not scatter your energy over to many interests.

This is especially the case with people who have several 5s in their chart, especially among the core numbers.

For those with few fives, the increasing ability to adapt to change and the willingness to take risks provides much spice to life.

## **L/E BRIDGE**

The Bridge numbers in your chart are the numbers that indicate how you can make the relationship between the individual core numbers in your chart easier and more

compatible. Bridge numbers have the potential to "close the gap" between the Life Path and Expression number, or the Heart's Desire and Personality number.

In this chapter we will explain what you can do to make your talents, strengths, and specific abilities (Expression number) more easily available and fitting the needs of your main lesson(s), and expected direction of growth (Life Path).

### ***Your Life Path / Expression Bridge number is 1***

Bill, you should rely more on your own strengths and abilities. Be more decisive; don't beat around the bush and be straightforward when expressing your thoughts and feelings. You need to take charge more often. Get off the beaten path and find original ways of doing things. Do not try to be conventional, or try so hard to behave according to the expectations of others.

## **H/P BRIDGE**

Several Bridge numbers can be found in your chart. The Bridge number between the Life Path number and the Expression number was described earlier in your reading. The following Bridge number relates to your Heart's Desire number and your Personality number. This Bridge number, the Heart's Desire - Personality bridge, explains how you can make your deeper self -- your needs and desires, your true nature -- more aligned with the part of your personality others tend to recognize when they meet you. With a little exaggeration, you could say that your Personality number is somewhat like your mask. It is the more superficial you; a protective shield and a camouflage of the deeper you. You can easily imagine how much more comfortable, and less self-conscious, the experience of life becomes when your deeper and more real you is closer and more fitting to the personality you reveal on a day to day basis.

### ***Your Heart's Desire / Personality Bridge number is 2***

Be more sensitive to the needs and expectations of others. Do not rock the boat too often, but keep the peace and try to make things run smoothly. You have to use your ability to influence others with gentle diplomacy, instead of confrontations. Be more cooperative.

## **KARMIC LESSONS**

Numerology is based on the understanding that we enter life with certain strengths and weaknesses. Karmic lessons are areas that we are currently weak in and must be faced and worked on in this life. There can be more than one Karmic Lesson. These are indicated by the absence of certain numbers in your name.

The letters and numbers of your name point to talents and abilities that you possess.

These characteristics can be compared to a workshop in which certain tools are available to you. Missing numbers, those that are not represented in the letters in your name, imply tools that are unavailable, and must be learned and mastered during this lifetime.

You may well recognize your Karmic Lessons as weaknesses you have learned to overcome in the course of your life, however, the challenges implied in your Karmic Lessons will continue to come up occasionally for the rest of your life.

### ***You have a Karmic Lesson 7***

Bill, you need to deepen your knowledge and talents in a specific discipline. You lack the will or determination to perfect yourself or a specific talent you possess. You must learn to be your own critic, without self condemnation, in order to bring your abilities to their full development.

You will learn not to take things at face value. A superficial understanding of important matters will prevent you from experiencing the satisfaction of your true potential.

The effects of this Karmic Lesson are diminished if you have at least one 7 among your core numbers (Life Path, Birthday, Hearts Desire, Expression, or Personality Number).

### ***You have a Karmic Lesson 8***

Bill, you can attract a considerable amount of money and even be a good business person, but you experience major ups and downs in your financial affairs, due largely to your lack of caution in handling your resources.

You are highly independent and do not want to be told how to do things. You have great problems with authority figures. This stems from a kind of know-it-all attitude and stubborn behavior that prevents you from knowing your limits.

You will have to work at knowing how to handle money. In all likelihood, you will attract enough of it, but it has a tendency to slip through your fingers. This Karmic Lesson forces you to learn your limitations, and the limitations of your resources.

Learn to be efficient.

The effects of this Karmic Lesson are diminished if you have at least one 8 among your core numbers (Life Path, Birthday, Hearts Desire, Expression, or Personality Number).

## **HIDDEN PASSION**

Your Hidden Passion reveals one or more special strengths and talents that you rely upon and are available to you. The Hidden Passion represents your specific field of

expertise, or a concentrated talent.

Metaphorically, this talent can be seen as having a power all its own to shape your life. Its existence gives you a strong desire to develop and to express that particular ability. Having the talent demands that you express it, that you experience this part of you, and that you live according to its nature. In this way, the Hidden Passion shapes your personality, and guides your life.

### ***Your Hidden Passion is 5***

Bill, you love travel, change, and new challenges. You are highly adaptable and versatile. You have a talent for languages, and are generally good with words. Writing, promotion, and public relations work suit you perfectly.

You are sensual and a bit impulsive. You love to satisfy your senses, which can get you into trouble. Overindulgence in food, drink, sex, and drugs are common among people with too many 5s -- six or more.

You are resourceful and original. You have a good sense of humor and a quick tongue.

Your desire for freedom is extremely strong and it will take effort and discipline to stick with whatever it is you started. There is a tendency to give up a project or situation prematurely.

Bill, you may be interested in too many things, which can make it hard for you to apply yourself to one area successfully.

You are very unconventional.

Commitment in relationships and your work is fundamental to your happiness. You may have a tendency to wander from person to person, job to job, making depth of relationship or deep expertise difficult.

## **PLANES OF EXPRESSION**

Each of us experiences life on four different levels: with our physical body; our mental faculty; our emotional makeup; and our intuition. Each of these areas has a specific means of perceiving information. The physical body is capable of touch, taste, pleasure, and pain. It provides us with a sense of the physical world. The mental body, like the emotional and intuitive natures, perceives the invisible worlds. Our minds deal with the world of thought. The heart, of course, is preoccupied exclusively with the world of emotion. Our feelings teach us many things about ourselves and about others. Finally, we have the capacity for direct contact with the higher realms by way of intuition. Intuitive insight comes in a flash. It is not rational -- that is the world of the mental plane -- but comes as if it were placed at the doorstep of our minds. Intuition, therefore, bypasses all effort.

These four faculties exist in all of us. But each of us depends more on one or two of them for the bulk of our knowledge. Some of us are possessed by our senses, while

others live almost exclusively in our hearts, or minds.

Numerology indicates how we as individuals function on each plane.

The letters of the alphabet are divided in four categories: physical, mental, emotional and intuitive.

The proportion of each category in your name gives a good indication of which Planes of Expression are strongest in you, and which ones are weaker.

These Planes of Expression can greatly help you to understand your talents and abilities.

## **PLANE OF EXPRESSION PHYSICAL**

### ***Your Plane of Expression Physical is 10/1***

Bill, you are active and inspiring; you are daring in business and other areas of life.

You have strong likes and dislikes and live according to your opinions.

You are charming and witty but get bored easily. You work hard and determined and are very goal-oriented. You thrive on the combination of enthusiasm and challenges, the lack of which makes you dull and disinterested. You are like a flare, burning brightly for a specific duration, but must move on to other projects in order to sustain your excitement.

## **PLANE OF EXPRESSION MENTAL**

### ***Your Plane of Expression Mental is 17/8***

Bill, you have a great talent as a business person. You can manage large corporations and institutions. You understand how to organize people and direct them toward some larger common goal.

You are highly ambitious and competitive. Money and power are essential to your sense of identity and self-respect.

You must guard against arrogance and superiority. You can be imperious.

You are demanding of yourself and others. You seek excellence in all things and refuse to settle for less.

## **PLANE OF EXPRESSION EMOTIONAL**

### ***Your Plane of Expression Emotional is 24/6***

Bill, you are highly emotional, yet you possess a rare degree of balance to which you can turn. You love family and close friends as few people are able. You worry too much and feel responsible for other people's actions.

You take justice and honesty with extreme seriousness; however, you may be too

disciplined.

You have artistic talent. You like to help others more than most, and are willing to sacrifice your own needs. You have an ability for teaching and healing.

You need much love and can give the same in return. You are highly idealistic, and very committed once you decide upon your soul mate.

## **PLANE OF EXPRESSION INTUITIVE**

### ***Your Plane of Expression Intuitive is 6***

Bill, you are extremely intuitive and spiritual. You take your spiritual ideas and experiences quite personally. There is a danger of too much attachment to your ideas and thus becoming deluded.

You have talent as a teacher or minister.

You have psychic experiences often related to friends and relatives and should take these messages seriously.

## **BALANCE**

People experience different internal responses to life's challenges. Some withdraw from difficult situations to think them through; others withdraw from their emotions, to try and keep themselves from feeling anything. Some explode with emotions, but allow the explosion to pass quickly. Others linger with their feelings, holding on to them well past the time they should have let them go.

Very often, these are conditioned or emotional responses that emerge without thought or analysis. Maturity and self-development help us to learn new and more effective methods of handling our world and the problems we confront. Your Balance number provides you with the guidance on how best to deal with difficult or threatening situations.

### ***Your Balance is 9***

You will find your solutions by empathizing with the concerns of others Bill. You have a gift for understanding a wide variety of people and seeing the broader picture. But too often you retreat to aloofness, a kind of Ivory Tower, in which you regard yourself as an aristocrat, above the masses. Bill, you will find your solutions by coming down to the practical reality where people live. It is in giving that you will receive.

## **RATIONAL THOUGHT**

Your Rational Thought number reveals what can probably best be described as the way you think. Are you a practical, methodical thinker, or a dreamer? Do you frequently

allow your imagination to color your perception? Are you unconventional and original in the face of a practical problem, or do you stick to proven methods?

This is the kind of information revealed through your Rational Thought number.

### ***Your Rational Thought is 53/8***

Bill, you are the visionary, and you focus on the larger picture. You ignore the details in favor of spectacular solutions. You love to blow someone's mind.

You understand the balance between the rational and the irrational, and you have no problem combining the two.

You have a vivid imagination and you are often surprised that others don't immediately grasp a concept that seems clear and logical to you.

You have little patience when others allow fear and caution to slow down a project.

## **CORNERSTONE**

The first letter of your first name gives an additional indication to your character, particularly as to the manner in which you approach opportunities and obstacles. The first letter is called your Cornerstone.

### ***Your Cornerstone is W***

Bill, you have intuition, determination and a strong sense of purpose. You like to be involved in many activities. You need change and like to meet new people. You have charisma. You provide stimulating company. You have excellent self expression and are very creative. There is, however, a tendency to procrastinate and cut corners.

## **SUBCONSCIOUS SELF**

Your Subconscious Self reveals how you react to demanding situations. It indicates your ability to get the most out of your talents and opportunities, especially when you face new or challenging circumstances. The Subconscious Self also reveals the areas of our character that need to be strengthened.

### ***Your Subconscious Self is 7***

Bill, you can appear indifferent to your surroundings and somewhat aloof. You are well-balanced and can survive many a stormy time. In time of trial, you withdraw within yourself finding solace and answers, in your creative and analytical mind. You may be a bit of a loner and do not easily share your feelings with others.

## CHALLENGES

Each of us is born with both strengths and weaknesses. Numerology looks at life as if it were an educational process that is meant to bring out and enhance our talents, and turn our weaknesses into strengths. This serves to complete our being.

The job of becoming whole is one in which we must face our weaknesses and consciously work to improve ourselves. There are four Challenges to be faced during our lives. For many of us, the same challenge is repeated, while others have four distinctly different lessons to learn.

The Challenges on your life's path provide specific lessons that you must attend to, and, in order to inspire and help you, life will place you in situations that require the specific characteristics of your Challenge numbers.

The four Challenges you are required to overcome during the course of this lifetime will influence you during different periods of your life, except for the Third or Main Challenge, which lasts from birth until death. The Challenges are fluid periods of your life, not confined to specific years so much as general periods. All of your Challenges are present at birth, like actors standing in the wings.

### THE FIRST CHALLENGE

The duration of the First Challenge usually lasts from birth until approximately the age of 30 to 35.

#### ***Your First Challenge is 7***

You are highly skeptical of anything that cannot be proven to you. Bill, you are particularly doubtful of anything having to do with spiritual matters. It is, therefore, difficult for you to find a personal philosophy that would give you peace of mind and insight into the purpose of your life.

You repress many of your natural inclinations because they do not fit into your intellectual or rational thinking.

You are in need of the part of your being that you are now repressing: the child within.

All the characteristics that have to do with the irrational and holistic side of life -- spirit, humor, playfulness, and intuition -- are being shut out.

Bill, your challenge is to find some philosophy and, ideally, a community that will give you additional perspectives, and force you to bring out the many other characteristics that are a fundamental part of you. Otherwise, you risk loneliness and isolation.

Bill, you have to learn faith. When you consider that most of life is made up of the invisible world -- thoughts, emotions, insight, and love -- you can begin to appreciate that only a small part of life is within the domain of your senses.

You may have too much pride. You may experience a deep and humbling

transformation that will set free the inner being you are keeping trapped within you.

## THE SECOND CHALLENGE

The Second Challenge usually lasts until the age of about 35 to 40.

### ***Your Second Challenge is 1***

You must learn to be independent. Bill, you will be forced to stand up for yourself and your rights. You will be faced with situations in which you will have to choose between standing up for what you think is right versus giving in to another person's demands. You will have to struggle to strengthen and know your own will power.

You will have to learn to be firm and trust your judgment. Don't run with the crowd, be an individual. This whole lesson represents the frontiers of your consciousness. Therefore, you will have to experience much trial and error, sometimes exploding with bursts of aggression, other times being intimidated and letting frustration and anger build within you until you are ready to act on your deepest instincts.

Bill, you will learn your own set of values; you will develop into an individual with original and innovative ideas.

If you have 1s in your core numbers or in your Hidden Passion this challenge will not be as difficult to learn, or as strongly felt.

## THIRD CHALLENGE

This Challenge carries much weight and will be felt throughout your life. For that reason, it is also called the Main Challenge.

As you master this challenge, your life will come more and more under your own control. You will incorporate the positive aspects of the challenge into your character. This is its purpose in the first place. Therefore, there is implicit in the challenge a chance for great reward.

In short, this may be the secret to your success.

### ***Your Third Challenge is 6***

Your challenge deals with distorted idealism. Bill, your ideals are unrealistically high, making life difficult for you and others. You have a hard time being satisfied with anything you do, or with what others do for you. You lack gratitude. This prevents you from seeing the beauty in your life. You may also suffer from rigid thinking, which keeps you from having a clear perspective that would otherwise awaken you to the many good things you have received.

At bottom, this challenge is about having blinders on. You are unable to see a broader view, which makes you think you have all the answers. This keeps away information and

perspectives that would be helpful to you.

Your desire to be of service to others is sincere. However, it may be blocking you from seeing the necessity of working on your own inner development.

Bill, you can be domineering and righteous, often telling others what is right and what is wrong. You often feel a lack of appreciation from others.

There is an opportunity to be of service, to teach and heal, but you will have to achieve a balanced perspective between your idealism and your resistance to personal transformation.

## THE FOURTH CHALLENGE

The Fourth Challenge is most strongly felt during the latter part of our lives, beginning at the age of approximately 45.

### ***Your Fourth Challenge is 6***

(This Challenge is the same as the Third, as described above.)

## PINNACLES

The Pinnacles are four long-term cycles, or periods, on our Life Path. Each Pinnacle represents a particular lesson we are working on. The first Pinnacle usually lasts from birth to between the ages of 30 and 35 (your specific Pinnacle periods are provided below). The middle two Pinnacles each last nine years. The last Pinnacle will stay with you for the remainder of your life.

The Pinnacles are very important. The transition from one Pinnacle to the next is always strongly felt. Your Pinnacles reveal the general conditions and events you will experience during the period. The Pinnacle describes the atmosphere, or the essential challenge you will be faced with.

You can prepare yourself for the times ahead by knowing your approaching Pinnacle number.

The transition from one Pinnacle to the next is usually prepared for approximately 2 years in advance. The latter part of that two year period is particularly strong. Bill, you will likely make some life-altering decisions -- marriage, job or career change, or any number of major changes in your character.

Perhaps the most strongly felt change -- internally as well as externally -- is the transition from the first to the second Pinnacle. This change usually takes place in your late 20s or early 30s -- the exact date depends on your Life Path number and is provided below. You begin to feel the impact of this coming change approximately two years prior. This is usually a difficult transition, but once crossed usually provides a clear sense of direction in one's life. It also gives you a much firmer sense of your identity. It is a gateway to maturity.

### ***Your First Pinnacle (from birth until age 34) is 9***

Bill, this is a period in which you must identify with some larger project or goal that is bigger than you. Your greatest satisfaction will be in providing for others, as well as for yourself. Those in business will draw much personal gratification in knowing that they are helping their employees support their families. Those involved in social activism -- a particularly appealing choice of careers during the 9 Pinnacle -- will feel themselves strengthened by the knowledge that they are advancing the safety and well being of society. The 9 Pinnacle is a time in which you apply your energies to the good of the larger community.

As a result, there is an element of self-sacrifice present. To some degree, you must subordinate your personal priorities to those of a larger cause. We are not suggesting martyrdom, but making a conscious effort on your part to strike a balance between the good of your milieu and your own personal desires.

This is a good time for financial growth and progress in business affairs. It is a period in which you face a large challenge and must give yourself entirely to it.

The 9 Pinnacle also promises much reward in drama, writing and art. You have a heightened esthetic sense, and any latent artistic talent you already possess will be enhanced and brought to the surface. If you have been in business, you may suddenly be drawn to the arts as a benefactor or patron, supplying support for theater productions or artists.

You will feel an increased sense of social responsibility and compassion for the many. You will want to help those less fortunate than yourself and will likely apply yourself to some social cause or philanthropy. This is a period in which you feel a greater love for the good of your community, country, and the world.

Interestingly, you are not restricted by prejudice or boundaries of class or country. You see humanity as a whole. Your love is not personal, however, but for the many.

Many under the 9 Pinnacle are drawn to religion or philosophy and have the capacity to spread some doctrine or teaching.

In short, you are highly idealistic. Bill, you will likely travel extensively during this period and meet people from many walks of life.

No matter what your area of expertise, you have a chance not only for success but for fame.

### ***Your Second Pinnacle (from age 35 until age 43) is 3***

This is a highly creative period. Bill, your self-expression is greatly enhanced. Your creative and artistic talents will peak. You should do everything possible to refine these abilities and make the most of them. Many under the 3 Pinnacle are drawn to writing, the theater, singing, and dance. Your chances of success are also heightened. Hard work in any artistic field that one has a talent for can result in much reward.

This is also a highly social and emotional time. You attract friends and admirers with your charm and gregarious nature.

You have the ability to inspire and motivate people. Your upbeat energy causes people to want to work with and for you.

This is a lucky period, as well. You can overcome problems with considerably less effort than in the past.

All of this can lead to self-indulgence and lack of productivity. Life is a little easier, which can make you less vigilant. You need focus and discipline. Under the influence of this Pinnacle, hard work is the key and the challenge to making the most of your opportunities.

Be careful of impulsive behavior or doing things on a lark. You must know your limits during this period. Be careful of your money; balance your accounts. Guard against disorderly thinking and behavior. Otherwise, you may do things you regret or simply squander away so many opportunities.

Children born under this Pinnacle must be disciplined and kept from being spoiled. An early education in the arts will inspire the child to make the most of his or her artistic talents.

### ***Your Third Pinnacle (from age 44 until age 52) is 3***

(This Pinnacle is the same as the Second, as described above.)

### ***Your Fourth Pinnacle (from age 53) is 1***

Bill, this is a period requiring much independence, courage, resiliency, and initiative. You must bounce back after many difficult experiences. The challenge of this Pinnacle is to gain will power.

There is not a lot of support from others or from family. You must draw from your own strength. You will have to guard against self pity or surrender.

Keep focused on your dreams. This Pinnacle will require an iron will to keep hold of your goals, and also the flexibility to maneuver around difficulties, and bend with the winds of adversity.

This is a period of rapid self-improvement and growth. You will be forced to use every talent and capability you possess. You will need to be resourceful.

Bill, you must continually put out effort, but with it comes great reward. Without it, there is no accomplishment nor satisfaction, only a negative attitude toward life.

Be careful not to become too self centered, headstrong or self important. Be strong but flexible. Be open to the counsel of others, but make up your own mind.

The benefit of this Pinnacle number is a strong sense of your individuality and strength. You will know what you are made of. There are many hidden gifts in this period, perhaps the greatest of which is faith.

Your Pinnacle provides you with the characteristics of leadership, boldness, and

daring. You will have many unconventional ideas and the skill and courage to make them a reality. Your abilities to manage and organize people and institutions are greatly enhanced. You have vision and confidence in the worth of your dreams.

These characteristics provide great opportunity for success and major accomplishments.

## **CYCLES**

Like most stories, there are three great divisions of our lives: the First, or opening period, finds us groping to find our true nature; at the same time, we are trying to cope with the powerful forces that are present in our environment, our parents and the socio-economic conditions of our family, for example. The Second Cycle, or middle period of our lives, brings about the slow emergence of our individual and creative talents. The initial part of this cycle -- the early and mid 30s -- represents a struggle to find our place in the world, while the late 30s, 40s, and early 50s, sees us with a greater degree of self-mastery and influence over the environment. The Third, or final Cycle, can represent a flowering of our inner being, such that our true nature has finally come to fruition. It is during this period that one has the greatest degree of self-expression and power.

### ***Your First Cycle (from birth until age 25) is 8***

You are under an extremely benevolent period for work, career, and financial reward. The key is hard work and the willingness to again dedicate yourself after setbacks or difficulties. Bill, you will have greatly enhanced abilities as a manager, organizer, and financial planner. You have a gift for seeing the broad picture and carrying out bold plans. You can gain financial freedom during this period. Business and career activities go well, but require much attention and commitment. You are being pushed to take control of your career or enterprise and bring it to new heights. It is a time when power falls to you, but must be used wisely and with purpose.

### ***Your Second Cycle (from age 26 until age 52) is 1***

This is a period of much intensity. It requires fortitude, courage, and flexibility. Bill, you will be forced to use every one of your talents in order to achieve your own personal individuality and independence. This is a period of integration and a focusing on your life's dream. Your grip on your direction will be tested, but somehow the resources are available to overcome any obstacle and emerge from this time all the stronger. It is a time requiring independence, resilience, and strength, but these characteristics become integral part of your personality. This cycle marks a time of progress.

### ***Your Third and last Cycle (from age 53) is 2***

This is a period of slow and patient development. Bill, you are acutely sensitive to your surroundings and highly intuitive. You possess a gift as a peacemaker and have tremendous power through gentle persuasion. Cultivate the talents of tact and diplomacy. Cooperate with others. Musical and other artistic talents come to fruition. Partnerships are important, requiring understanding and compromise. You need patience and flexibility, but you are under a gentle and benevolent influence in which others are happy to support you. Seek out beauty and harmonious environments, spend time in nature, and enjoy the peace of close companionship. This is a period of slow but steady progress.

## **TRANSITS**

The Transits are the individual letters of your name that combine to form the Essence, which is the number that reveals a great deal about your year ahead. Your name can be seen as a piece of music that vibrates in time. Each note, or letter, has a specific duration and influence over the course of your life. Bill, your life, therefore, can be seen as a musical score, with the individual letters making specific contributions at given points, just as notes in a musical piece are played at specific points to give a piece of music its rhythm, character, and nuance.

The Transits appear as part of your Progressive Chart and will tell you much about specific influences taking place in your life during given years.

## **THE PHYSICAL TRANSIT**

### ***Your Physical Transit for age 60 is I***

This is a very emotional time with many ups and down's. Bill, you are high-strung and vulnerable to stress. You are somewhat accident prone. You need to develop calmness, centeredness, and an acceptance of life. You must control your moods and not slip into feelings of self-pity and insecurity. At the same time you are very competitive and have the opportunity to achieve success and financial reward.

### ***Your Physical Transit for age 61 is I***

(The Physical Transit for age 61 is the same as that for age 60, as described above.)

### ***Your Physical Transit for age 62 is I***

(The Physical Transit for age 62 is the same as that for age 60, as described above.)

## THE MENTAL TRANSIT

### ***Your Mental Transit for age 60 is F***

This is a period of much soul searching and spiritual growth. There will be plenty of hard work and responsibility, both at home and on the job. Bill, you will begin to doubt old and established ideas and patterns. During this year you are intuitive and sensitive but less clear about what you want out of this life. You will need to turn inward, contemplate and meditate. You may have a tendency to play the martyr during this time; sacrificing too much. However, this is likely an avoidance of responsibility rather than an act of genuine selfless love. There will be more than enough opportunity to help and give comfort, however, because many people will come to you for guidance and a shoulder to cry on.

### ***Your Mental Transit for age 61 is F***

(The Mental Transit for age 61 is the same as that for age 60, as described above.)

### ***Your Mental Transit for age 62 is E***

Bill, you will feel inspired and helpful. There can be change in career, travel, and possibly another residence. You are attracted to new and adventurous experiences, including love affairs. There can also be marriage. Although this is a good letter for finances there may be a lack of focus and a more frivolous attitude, which will adversely affect your chances of real material progress. You feel attracted to new religions and philosophical ideas.

## THE SPIRITUAL TRANSIT

### ***Your Spiritual Transit for age 60 is O***

This is a time of strong emotional experiences, which can affect your health if you let it. Bill, you may find yourself worrying unduly. There is much responsibility placed on your shoulders, with sensitive emotional issues involved. You will find yourself more interested in religious and physical studies. Your leadership abilities are enhanced during this time.

### ***Your Spiritual Transit for age 61 is N***

Bill, you will have opportunities to expand your horizons. There will be adventurous experiences and travel. A change of residence is very possible. This is a dynamic time with many new activities. You will make some important social contacts. You search for

love and fulfillment. Sacrifice, adaptability and flexibility are called for. You will also be concerned with finances and may worry too much about these matters. You tend to be forgetful during this time. You will also feel more sensual than usual. Physical exercise is important during this period.

### ***Your Spiritual Transit for age 62 is N***

(The Spritual Transit for age 62 is the same as that for age 61, as described above.)

## **ESSENCE**

The Essence Number and the Personal Year Number are the two essential indicators of the forces that will influence your life during the course of any year. While the Personal Year runs from January to January, the Essence is most strongly felt from birthday to birthday. For example, if your essence number is 8 for the year 1988, you would begin to feel the influence of that 8 most powerfully after your 1988 birthday. The influence would begin to wane during 1989 and would finally end at your birthday of 1989.

The Essence number indicates the lessons you will be dealing with during that year. It says a great deal about how you will perceive your environment. It also gives clear advice on how you can be most successful during the year, that is, which types of behavior will be supported by your milieu, and which ones will be less effective.

### ***Your Essence at the age of 60 is 21/3***

Bill, your ability to express your self will reach an all-time high. Any talent you possess in the arts -- especially in writing, acting, or other performing arts -- will be greatly enhanced. This is a period of success through personal creativity. You have much opportunity to advance yourself and career through your own personal expression, charm, and creative talent.

This is a social time, filled with much fun and friendship. You will feel lighter, fresher, and more alive than in previous years. It is as if life has relieved you of a burden, allowing the more creative, upward, and joyful energies to flow more freely.

People are naturally attracted to you. They sense your joie de vivre, your spirit, and creativity.

Your challenge is to focus your heightened creativity on a worthwhile task. Discipline is essential. Choose a goal worth reaching. Pour your energies into something that will last. In this way, you will emerge from this period having accomplished something worthwhile, and learned to harness your creative abilities.

If you fail to focus, you will likely spend your opportunity and creative urges on loose talk, superficiality, and socializing.

This is an emotional period. The upward, heart-centered energies are peaking,

bringing with them many old emotional issues. You can easily exaggerate the importance of an unkind word, or react too emotionally to a troubling situation. In short, you need perspective now.

Bill, you are in a highly volatile period, making you highly creative, sensitive, and given to emotional mood swings.

You are highly romantic and given to fantasy. There can be many wonderfully romantic times; however, it is important to avoid being swept away by your fantasies. Do not fail to see people for what they are.

This is a time when you will learn the value of your personal expression, and your own uniqueness. It is a time of personal accomplishment and advancement.

### ***Your Essence at the age of 61 is 20/2***

Bill, you must learn to cooperate with others in order to accomplish some greater good. This is not a time to lead, but to follow. You must be content to draw your guidance from the environment and those in positions of greater power. You must maintain your own center, but avoid arrogance, rigidity, and stubbornness. The more you insist on your own priorities, the more resistance will you meet.

This is a period of partnerships. Your success depends on your ability to work with others.

Bill, you will be extremely sensitive and intuitive. Your powers of understanding will be at an all-time high. These abilities will give you the insight you need to perceive subtle changes in people and situations. You will therefore be better able to adapt to changing circumstances.

Your intuition makes it possible to accomplish great tasks, even though you may not be in a leadership role. The reason: you instinctively know how to react to change, and to gently advise people to go in the right directions.

Bill, your role as an advisor or confidant is the key to your success during this period. You are learning the lesson of interdependence. You will also come to know how valuable you can be in a more passive role. It is a period to serve, to be the helper, the assistant. Your ability and willingness to work with others will be tested and rewarded.

It is essential that you listen. Be shrewd in your evaluations of others and of situations, but do not enforce your judgments directly on people.

Your sensitivity will make it necessary for you to seek out harmonious and peaceful environments. Be careful of the health of your nervous system. You can become anxious more easily during this period. Therefore, seek out people you trust; share your deeper feelings; allow yourself to be supported by friends and loved ones. Keep your spirits high and avoid depression.

Music plays an important role during this period. Any musical talent you possess will be enhanced. You even possess a certain physical grace that can emerge in dancing, athletics, or simply walking down the street.

In your passive, centered way, you will be charismatic and attractive to others. People

will sense your fine intuition and sensitivity and seek you out for private talks. Be loyal to friends and partners.

Remain strong inwardly and flexible without. In this way you will avoid the obvious difficulties and remain on your path to success.

This is a period of accomplishment through gentle persuasion.

### ***Your Essence at the age of 62 is 19/1***

Bill, you are in a struggle for independence and possessed by personal ambition. You will feel the need to work hard to establish yourself and your foundation. You are forward looking and even visionary, but for personal gain.

This is a period of struggle. It is a time when you may feel torn between your personal desires and your concerns for others. It can be a time marked by stubbornness and rigidity, characteristics you will have to keep in check.

This duality between the lower desires and the higher realms of love can cause you much internal conflict. Secretly, you may feel torn between a desire to serve some greater good, and your ambition for personal accomplishment. You are aware of the needs of others. At the same time you are skeptical of ideals and idealists. You may tell yourself now that you must be realistic in your dealings with the world. But you must avoid shutting out the voice of your higher nature. Do not let your higher ideals go, lest you be guided exclusively by materialism and greed.

All too often, those in the 19 Essence finally resolve this conflict by conceding to personal ambition and selfishness. This can lead you to much trouble. People may perceive you as greedy and self-centered. Because you are driven by ambition, you may be attracted to people who have no other priority but personal gain. For some, this will lead to shady business practices and even brushes with the law.

This can be a time when you feel a need to pull back from others and become less social than during previous years. But this can lead to isolation. You may also feel frustrated because your ambitions want instant gratification, which the time does not allow.

The challenge during this time is to strike a balance between your worldly needs and your inner spiritual nature. The time requires much soul searching and a willingness to accept the perspective of others. Don't shut yourself off, or become jaundiced to your more idealistic brethren.

At the conclusion of the 19 Essence, the person is often better off materially, and far more independent, but there may also be a sense of disconnectedness from friends and loved ones. Therefore, it is important to work at maintaining close ties. Be open to others, and recognize that "man does not live by bread alone."

## **PERSONAL YEARS**

Your Personal Year number is a strong indication of the trends and circumstances

you will experience during the year ahead. Your Personal Year cycles are based on the Universal Year cycles and therefore run concurrent with the calendar year. Transit and Essence cycles are based on the letters of your name and run from birth date to birth date.

There are nine personal year numbers, which makes up a complete Epicycle. Each Epicycle reveals the progression or evolution of a specific part of your growth. Bill, your progress along this Epicycle can be seen very logically, from the infancy or beginning of a growth period in your life, to the conclusion or culmination of that process. The 1 personal year indicates your first steps in a new direction. The years that follow indicate your progress along this path, concluding with your 9 Personal Year, which completes the cycle. Below is a description of your current Personal Year. It indicates where you are on the 9 year Epicycle.

The Personal Years form the building steps that mark your progress through life.

### ***Your Personal Year for 2006 is 8***

After last year's constant involvement with yourself and very possible occasional doubts about the state of your business or career you will find this year to be a relief, Bill. Things finally work out. Long postponed checks and promotions come through. You see the light at the end of your financial tunnel and an inner strength and confidence is breaking through. This is your year of harvest and, depending on the effort you put out in the past seven years, your reward will be equally large. There is a beauty in these cycles we can recognize and understand and in doing so we find ourselves "in the flow" and there is no more need to try and struggle upstream. So this year you will have an opportunity to involve yourself fully in work and material growth and bring home the rewards, at the same time a certain detachment is also necessary, for you and for the experience you have because it is not the reward that brings you happiness but your experience of life, which is why before the rewarding eight year you have had such opportunity for growth during the soul-searching of a seven year. Give in to your ambitions, you will find yourself more clear and focused and able to pursue and reach your goals. Bill, your power is visible and strong, mental creativity is high, vision and intuition will guide you, and at the same time you are more efficient and focused. There can be loss, serious loss, bankruptcy and failure, because always the rewards are directly proportionate to your effort and motivation, however you know the effort you put out and you know your motivations, so there must be no room for fear and doubt, only for success and winning and this year will undoubtedly turn out to be a very satisfying year.

### ***Your Personal Year for 2007 is 9***

This is your year to finish up all unfinished business, Bill, to clean house and make room for new things. On a material level this is a good time to get rid of unnecessary weight, to give away or sell what you do not need anymore and to pay off old debts. On a

spiritual level you will experience a different mode altogether. Your attention should turn to others and their needs, find ways to be of help and give time and energy to worthwhile causes. You must lighten your burden of questions and doubts and the best way to do so is by directing your attention to another direction, away from yourself and you will find yourself becoming lighter and more in touch with your self. This is a time of completion, problems can be solved and over with, strained relationships relax or disappear, the sources of stress in work or business can be better understood and dealt with. Be social and communicative, enjoy music and other arts. Bill, your creativity is higher than usual. There can be some difficulties this year due to your desire to face obstacles and overcome them, decisions have to be taken and courage and strength may be severely tested several times, this is not going to be an easy year all the time but you will feel relieved and on the brink of a positive breakthrough by the end of this year. This is the end of a nine year epicycle and will you will feel many times the excitement of a new and promising era when optimism is your friend but you will also experience the fear of letting go, however the more you let go the more room there is to be filled during the next epicycle.

### ***Your Personal Year for 2008 is 1***

Be ready for major changes. Bill, you will be inspired to start new projects or enterprises. You will feel a strong forward push toward new goals.

This is a time for vision and planning. Share your dream with others; make plans, get the necessary support, but, above all, rely on yourself as the driving force. Be decisive!

You are starting a new nine year Epicycle. Everything you do now will affect your future. Do not hold back the inner force of creation. Be direct, daring, and bold.

You will have more confidence and determination this year, particularly in comparison with last year, which was a time of letting go. This year represents a time of birth. It's a time to take charge and to apply yourself to your dream.

This is also a good time to make the personal changes you have long wanted to make: Start a diet and/or an exercise program, or begin a new course of study.

There may be some emotional turmoil, especially in the first two or three months. It takes a while to get the ball rolling. There are many changes you must make and much work to be done.

Be open-minded, organized, and focused. Avoid distractions and procrastination.

Bill, you are at a crossroads. You will need courage and a clear head to stay on the right track.

This is a year of opportunities.

The key months in your year ahead are March, in which you are able to lay the foundation to your plans; April, in which changes take place such as a change of residence or career; July and August mark a time in which you will see the fruits of your labors begin to take place; October represents a major turn in events, often fraught with emotional turmoil; the fall marks a coalescing of your plans into more concrete form.

## PERSONAL MONTHS

### ***Your Personal Month for January 2006 is 9***

Bill, January is a 9 Personal Month in an 8 Personal Year. It marks a period of completion. You have gone through a spiritual growth cycle that resulted in a better understanding of yourself. You have gained much insight.

Now you are entering a time when spiritual understanding must merge with the practical and material side of life. You are moving from a 7 Personal Year, which was dominated by spiritual growth, into an 8 Personal Year, which is focused on the material aspects of your life. This may throw you a little off balance. The year begins with some confusion and self-doubt.

Often, there is financial stress. You need to apply yourself to your career and other worldly matters. This is the year of harvesting your rewards, but before that happens, you need to prepare yourself, to regain your footing.

Now you must become more aggressive and ambitious. January requires effort. It also requires a letting go of outdated and outgrown concepts, habits, and relationships.

For that reason, January tends to be emotional and somewhat insecure. However, you will soon pick up momentum, and your personal power increases.

Romantic and love-relationships experience some stresses. Bill, you are somewhat distant and aloof, which may make your partner feel left out. Spend some time reassuring your mate.

### ***Your Personal Month for February 2006 is 1***

Bill, February is a 1 Personal Month in an 8 Personal Year. Now things begin to speed up. Unlike last month, you now feel full of energy and enthusiasm. In fact, you're impatient to start new projects, and must guard against impulsive decisions.

Your career and financial affairs are the areas of your life that require the most attention. There are great opportunities as well as potential dangers. This is the year marked by opposites: times when everything seems to go your way, and other times when it seems the rug has been pulled out from under you. February gives the first indication of what this year will bring but, more important, it challenges you to put your best foot forward, to show what you are made of.

The month may begin with a challenge. You may have to confront one of your biggest fears, which is followed by an opportunity to put that fear to rest once and for all. Courage, determination, and inner strength are the needed ingredients that will make this a successful month and a profitable year. The year can be characterized by the old carrot-and-stick metaphor: February reveals the carrot -- the prize you can obtain -- but it also shows the pitfalls and dangers; in short, the stick.

Relationships are favorable in all areas of your life. Co-workers show support, friends tell you how much they admire you, relatives make it clear they have confidence in you, and your lover makes you feel you deserve the best.

### ***Your Personal Month for March 2006 is 2***

Bill, March is a 2 Personal Month in an 8 Personal Year. The month demonstrates how you can sometimes make more progress and be more successful by staying in the background than by forcing the issue. March gives you ample opportunity to influence others, to make them listen to your ideas, even to inspire them to do things your way. You are tactful and sensitive, yet also driven and motivated. You find better ways to handle challenging situations.

Later this month, you gain respect and recognition and will find yourself taking on a leadership role. Your authority is impressive because you balance force and strength with diplomacy and tact.

Romance is favorable and, if you are single, you may meet someone through work or a business meeting who will touch your heart.

### ***Your Personal Month for April 2006 is 3***

Bill, April is a 3 Personal Month in an 8 Personal Year. The events inspire creativity and optimism, as well as a need for flexibility and adaptability. Sometimes, the early part of an 8 Personal Year brings financial challenges and problems. If this is the case, April is the most challenging time of the year.

It is a testing time that forces you to confront your lifestyle and your priorities. With the right adjustments, you can put yourself on sounder financial ground.

The month also encourages a certain detachment from trying to control financial matters too much. Once you stop controlling matters too much, your spiritual understanding of life really pays off in a practical and applicable way.

Last year's opportunities to contemplate and search for insight -- which may have seemed unproductive at times -- now prove to be your best defense on the battle ground of material progress. You are being forced to achieve a balance between the spiritual and the material, especially this month.

In any case, April will reveal to you how capable you are of doing that. Be generous but don't waste money. Focus on getting things done, but don't let financial reward be your only motivation. Introduce creativity and a playful attitude to the job at hand. And most important; don't let temporary setbacks ruin your ambition. This is a time to reach out, not to suppress.

Romance and relationships continue to be favorable. Social events bring new people. Bill, your self-expression and sense of humor improve, and it is easy to make new friends during this time.

### ***Your Personal Month for May 2006 is 4***

Bill, May is a 4 Personal Month in an 8 Personal Year. It is a time of hard work, progress, and opportunity. As with most of this year, the focus in May is on career and finances. There may well be a great opportunity that comes your way. This opportunity offers all kinds of changes, such as a move of residence (either in June, or in or around November), a change of employer, or a promotion.

The early part of May can be frustrating due to the need to involve yourself with routine affairs and details. You have some catching up to do. You may feel restless and bored. However, later this month brings the opportunity you have been waiting for. You are more organized and manage your time well.

You are dependable and anxious to take care of some long-postponed chores. You may decide to start a remodeling project on your house. Your relationships are more harmonious.

If you are involved in a long-term love relationship, you will find that comfort and security replace some old doubts.

### ***Your Personal Month for June 2006 is 5***

Bill, June is a 5 Personal Month in an 8 Personal Years. It brings changes and unexpected events. There isn't much use in planning too much this month, because much will happen unexpectedly. This is a hectic and dynamic month. Go with the flow; be flexible; and trust your instinct.

If you are able to adapt to the unpredictable events of this month, your experience will be exciting and adventurous, and quite possibly profitable. However, if you insist stubbornly to stick to your plans and expectations, you will be disappointed.

You are in a position to show your special talents and abilities to people who can be influential in your career.

You are able to think on your feet and your reflexes are sharp. This time is particularly good for those who are in retail, real estate, or some other business that's based on sales and closing deals. Financial gains are often considerable.

Travel is possible and favorable. This is also a good time to move, or change your environment in some way.

Romance is very exciting and, if you are single, you will have to hide out to keep from meeting someone. People gravitate to you and the opposite sex is more than usually attracted to you.

### ***Your Personal Month for July 2006 is 6***

Bill, July is a 6 Personal Month in an 8 Personal Year. It is an excellent time for business and financial affairs. Respect and recognition for past efforts is followed by

financial gain or promotion. You are in a position to ask and receive what you believe to be your due. However, you may find that you are not as diplomatic as you might be. This is your most challenging weakness during this month. Guard against arrogance. Your responsibilities increase possibly as a result of a promotion.

Family affairs, friendships, and romance also move to the foreground and are rewarding and healing. You will be asked to sacrifice some of your time and energy to a younger person or someone who is old or sick. You feel closer to the people around you and you want to be there for them.

Somewhat contradicting to this show of warmth and affection is the lack of tact and sensitivity you may display a number of times during this month. Bill, you may be too intent on forcing people to see life as you do, rather than allowing them their own perspectives and their own rates of growth.

The later part of this month brings changes that arise from a chance meeting at a social event. This change may be based on a romantic encounter, and may affect your living situation.

An unexpected travel is also a possibility.

### ***Your Personal Month for August 2006 is 7***

Bill, August is a 7 Personal Month in an 8 Personal Year. The emphasis changes from outgoing to inward seeking. You are more serious now and self-reflective. You question the wisdom of some of your decisions and choices made during the past ten to twelve months. You keep to yourself, and are generally less social.

You are engrossed in your work and feel a need to do a better job. Your desire for perfectionism is strongly enhanced, which results in self-criticism and impatience with others. At the root of this change in attitude is a spiritual need for clarity and understanding. You want more security, both internally, as well as in your more worldly roles. Bill, you would do well spending some time alone for contemplation and meditation. In this respect, August stands out during this otherwise "material" year.

Family and friends take a backseat during this period. There are strong feelings connected to your relationships with your loved ones, but these are experienced and expressed more subtly.

Romance becomes more serious. You share mental, spiritual, and emotional experiences on the deepest level. There is no room for superficial exchanges. Your relationship with the person you are attracted to intensifies and becomes stronger as a result.

### ***Your Personal Month for September 2006 is 8***

Bill, September is an 8 Personal Month in an 8 Personal Year for you. This is a month with great potential for your career and finances, especially to increase your finances for

the long-term.

It is a time to be aggressive and outspoken. Your authority is needed and you will have to apply yourself one hundred percent. However, there is another side to this month. You may feel that you have reached the pinnacle of your career, or that work and other areas of your life have become dull and monotonous. You may feel you need a break.

You are approaching a time of deep inner change. Several times during your life you have reached a point at which you need to break out of a cocoon. All evolution is gradual, but periodically interrupted by sudden bursts of growth, or change.

Bill, you are at a stage in your life when you feel ready for such a change. However, you are not clear about the true nature of this change and, while you may feel inspired to force some practical changes now, you should approach this with care. Avoid impulsive decisions as well as any contractual arrangement that would tie you down for a long time.

You need to rely on your own strength and feel confident that you have a certain amount of control over your own future. You should relax and let things develop at their own pace.

Social events are highly favorable and there will be ample opportunity for that.

### ***Your Personal Month for October 2006 is 9***

Bill, October is a 9 Personal Month in an 8 Personal Year. It marks the beginning of the end of a certain era in your life.

Now you begin to let go of certain expectations you have long held. There is a feeling of emptiness and of "what now?" The time has not yet come to respond to these feelings in a practical way. Now is the time to begin to become comfortable with the need to change. The changes contemplated involve both personal and professional life.

For these reasons, October could become an emotional time. Some melodrama and role playing is actually a subconscious way for you to test the people around you, and the depth of their commitment. You are also testing your own position towards people, career, environment, spiritual beliefs, and other aspects of your life. You have, even if you are not aware of it, already begun the process of selecting what you want to remain in your life and what you want to discard.

This process, which continues through different stages over the next 2 years, is natural and nothing to be afraid of. You are entering a period of reawakening. This means a letting go of some of the comfort and security that surrounded and protected you for many years.

Start giving some of your energy to a good cause that benefits others. Ultimately, it will benefit you. It takes the spotlight of your doubts and questions, and gives you strength and confidence.

For October, practical matters can be handled with ease. It is much better to pay off debts than to incur new ones. Completion is favored over new starts. It is a time to tie

up loose ends, not so much to begin new projects. It is a time to clean up and prepare for new things coming into your life.

Bill, you are not in the right mood to pay much attention to romance or personal relationships of any kind, unless it's to test the strength of the relationship.

You may be a little judgmental and self-righteous and will need to guard yourself against this sort of thing.

### ***Your Personal Month for November 2006 is 1***

Bill, November is a 1 Personal Month in an 8 Personal Year. It brings confidence, independence, and individuality. Now, you are driven to take up new challenges, tackle new projects, and get a firm grip on your life. You have energy to spare and you use this to inspire and motivate others.

You feel that there is nothing you can't deal with. You are ambitious and result-oriented. You receive an opportunity that will have long-ranging effects on your life. You are confident, but also a bit stubborn and hardheaded. You are direct and not as sensitive to other people's feelings as usual.

This is a good time for business and finances. It is a time to be decisive and adventurous, not a time to be conservative. Courage and originality are key ingredients needed to take full advantage of this cycle. You are more stable and outgoing in your personal life, much to the delight of friends and relatives.

You are also generous and inspiring, but not in the mood to deal with the petty stuff. You are a little impatient.

Romance may prove to be the most challenging aspect of this period. The chances of meeting someone are good, but your approach may be too aggressive and lacking in sensitivity.

If you are married, or otherwise committed, a small warning: not everyone is on the high curve of his/her cycle, so be patient.

### ***Your Personal Month for December 2006 is 2***

Bill, December is a 2 Personal Month in an 8 Personal Year and shifts the focus to relationships and all affairs of the heart.

Co-workers are demanding, not only in work-related matters, but also in personal areas. You may catch some flack, or become involved in conflicts that don't appear to have anything to do with you. All your tact and diplomacy are needed to maintain harmony in the work place. However, you are better equipped to deal with sensitive affairs than usual and you manage to diffuse most of these potentially explosive affairs.

Pretty much the same experiences await you regarding relationships with relatives and friends, but here too, you are able to keep the peace.

Bill, your intuition and sensitivity are your strongest assets during this month.

There is, however, also a need to stand up for yourself. Someone is about to claim credit which rightly belongs to you. Again, diplomacy and tact are required to solve this problem.

This is also a good month for negotiation and financial affairs, particularly concerning loans and mortgages.

Romance can be powerful, but may cause problems when money is involved.

### ***Your Personal Month for January 2007 is 1***

Bill, January is a 1 Personal Month in a 9 Personal Year. It brings progress as well as some turmoil. Your career offers opportunities that should be taken advantage of, but you may also be wondering if you want to continue on the path you have chosen. A change of course may be taking shape. You may want to focus more on the ideas you had at the beginning of your professional life. Even if you do not have a career, a return to the idealistic views you had at an earlier time cannot be avoided now.

A similar desire for purity and idealism influences your relationships with friends and relatives. You find yourself confronting some of the people close to you. You may decide that some of your relationships are no longer desirable.

You experience emotional ups and downs, caused by a need for confirmation of your love on one hand, and a tendency to be critical and judgmental on the other. You are aggressive and emotional at times. This combination may shake the foundations of many of your relationships. Undoubtedly, some of these foundations may crack, but others will prove to be strong and remain undamaged.

Financially, this is a time to be extremely careful.

### ***Your Personal Month for February 2007 is 2***

Bill, February is a 2 Personal Month in a 9 Personal Year. It awakens you to many of the underlying factors that influence your career and personal life. You are highly intuitive; you experience strange and vivid dreams; and you gain insights that border on psychic premonitions. At the same time, you continue to be vulnerable in the emotional area. Any kind of criticism can devastate you. You should avoid confrontations. You are in a position where you can gain considerable understanding of the motivations and desires that influence you, as well as others.

This is an important and valuable time, because you are learning much about the true nature of human beings, including yourself. The challenge here is to see yourself and others in a spiritual light, with love and forgiveness.

Some people who go through this particular cycle experience bitterness and anger. For others, this cycle brings faith and gratitude. For everyone, the impressions are lasting.

Romance is powerful; you see and hear and feel more fully than usual, which brings an added intensity to the experience of love.

### ***Your Personal Month for March 2007 is 3***

Bill, March is a 3 Personal Month in a 9 Personal Year. It lightens things considerably. You are not nearly as vulnerable as last month. You are more playful. You express yourself easily and you manage to inspire and motivate others.

You receive some positive information about your career and your financial status. Meanwhile, you are considering some big changes in these areas of your life. You may want to keep your thoughts to yourself, or share them only with one or two of your most trusted confidants. You are not ready to make decisions or take steps that are irreversible, but that time will come soon.

This is an exciting time, when everything seems more intense, more alive. You are more creative and communicative.

Bill, you should take the time to enjoy yourself. Go on a vacation. Visit friends. Be social. Give yourself a break.

Romance is favorable, but you have to guard against irresponsible and superficial behavior.

### ***Your Personal Month for April 2007 is 4***

Bill, April is a 4 Personal Month in a 9 Personal Year. It requires hard work, an eye for details, and dependability. Your career is a top priority and requires much of your attention. This is a difficult month with frustrations and a sense of urgency. Perseverance is the key.

There is another feeling that starts moving to the foreground. You feel a little tired, ready to surrender. Your energy level is lower than usual and this makes it harder to keep up with your duties and responsibilities.

However, this is not a good time to slow down. It is a time that can bring opportunity and an unexpected insight into a new direction in life. You are at a point in your life when you feel that you have been stagnant. Change is needed.

This month will bring some practical insight and ideas as to how this change can be accomplished. This is a good time for business ventures and investment. It's also a good time to work on the house and garden.

Romance is understated, but emotional stability is hard to maintain. Don't make many any big changes or decisions in the emotional realm for now.

### ***Your Personal Month for May 2007 is 5***

Bill, May is a 5 Personal Month in a 9 Personal Year and brings many changes and ideas that start you in a different direction.

You are restless and impatient. Your energy is scattered but you are ready to make a big step forward. A move of residence or a travel will bring inspiration.

You are at an important stage in your life where you feel a bit in limbo, but you also know that a change for the better is imminent. You feel excited and confused at the same time.

You do not really understand what is going on, and the motivations that have guided you for many years now seem outdated. You question your underlying values and desires. You feel a loss of direction. Your best approach is to wait things out. Do not start any new endeavors unless you are very sure you will follow through on them.

Social events are highly favorable. Bill, you need to be around people. You need to be loose and enjoy yourself. As I mentioned earlier, you are going through enormous changes this year and next year, and for that reason, interaction with others is therapeutic. It helps you deal with the turbulence that takes place inside.

### ***Your Personal Month for June 2007 is 6***

Bill, June is a 6 Personal Month in a 9 Personal Year and brings stability, strength, and understanding of yourself and the many roles you play in this life. Some relationships may undergo a test this month. This whole year is a time of letting go of certain people, behaviors, and roles that you have outgrown. June is particularly important in sorting out your feelings for others. Relatives and friends seek your company, but you may respond with aloofness and indifference.

An important challenge this month is to be honest and open in your relationships. You may tend to bottle-up your feelings.

This is a good time for career and finances, even if you feel a lack of interest for these matters. Romantic relationships are particularly fragile right now. However, if your love-relationship survives this period, you know that it is based on true substance. It will be stronger and lasting.

### ***Your Personal Month for July 2007 is 7***

Bill, July is a 7 Personal Month in a 9 Personal Year. It represents a time of insight and awareness. You start to realize the magnitude of the deep inner changes that are taking place and this fills you with a combination of fear and excitement. You know that the time has come to face up to important decisions that will affect your life, as well as the lives of those close to you for a long time to come.

Your fear is based on your indecision and inability to know if what you want to do is right. Your excitement comes from the knowledge that at least something is happening. In this situation, the key is to choose what feels right. Rely on your heart and your intuition, and have faith in yourself and your Creator.

Bill, your career and finances are not priorities, except when they relate to plans you may have for the future.

This is a time to prepare for the long-term, not to reach for immediate rewards.

### ***Your Personal Month for August 2007 is 8***

Bill, August is an 8 Personal Month in a 9 Personal Year. It brings financial matters to the foreground. Take a close look at your financial situation and adjust your lifestyle accordingly. Pay off debts. Tie up loose ends. Clean up this area of your life.

Often, an 8 Personal Month, 9 Personal Year brings a stroke of luck; a payment from a forgotten source, or an inheritance.

Use any extra income you might have to pay off your debts.

You are facing a future that requires some risk taking, or investment. Perhaps you have been thinking about a complete career change, or starting your own business. Either way, you need to get a clean slate before the end of the year.

You also receive recognition and compliments for effort put out in the past, which may result in a promotion.

Romance is in better shape than the last two months. If you are committed to someone and have experienced some troubles in the relationship, you will find stability and comfort this month. If you are single, you may meet someone through work or business.

### ***Your Personal Month for September 2007 is 9***

Bill, September is a 9 Personal Month in a 9 Personal Year. Now your desire for change reaches a climax. You are taking steps to implement changes you have been considering for some time. Nothing is stable right now, but that should not worry you.

You are making progress in hidden ways. You feel insecure about the future but you rightly know that these changes have to be made. There is a lot of adjusting that has to be done, not only for you, but also for the people close to you.

More than at any other time this year, you let go of the old and prepare for the new. This takes place in every area of your life; spiritual, emotional, and material. However, this is not a month to make impulsive decisions and starting anything new should be postponed until very late this month or next month.

A disappointment in romance is possible but will clear the air for future engagements.

### ***Your Personal Month for October 2007 is 1***

Bill, October is a 1 Personal Month in a 9 Personal Year. It is a month of new beginnings, new people, and renewed energy.

While most of this year feels like the end of a long day of hard work, with low energy and a desire to put your feet up, October feels like you just had cup of coffee. You are ready to get started, to roll up your sleeves and tackle whatever project is in front of you. This is a time to aggressively pursue the plans you have made in the past. It is a time to act, not to dream or question. Take a chance. Show courage.

This is also a time that requires independence and self-confidence. Don't let the

cautious words of others slow you down.

There is some danger connected to financial wheeling and dealings. Be very careful who you trust with your money. Friendships are renewed. You may also meet someone you haven't heard from in some time and this person will play a role in your plans for the future.

Romance is favored, particularly if you are single. Bill, you may meet someone who becomes a permanent fixture in your life.

### ***Your Personal Month for November 2007 is 2***

Bill, November is a 2 Personal Month in a 9 Personal Year. You may find yourself wondering what happened to last month's energy. You feel a little burned out and you are not sure about the direction your life has been taking in the past several months. You may question whether you are trying to change too much of your life. You are moodier than usual and don't seem to be able to get things started. You are extremely sensitive and take the opinions of others more serious than usual. This is a time to take things slowly, to spend time in self-reflection and contemplation, to find strength and stability in yourself instead of in the circumstances around you.

Your relationship to the people close to you improves and a lot of healing takes place there.

Romance also is highly favorable, particularly if you do not try to make the impression that you are stronger than you really are.

You are more susceptible to illness and would do well to refrain from alcohol or anything else that weakens your system.

### ***Your Personal Month for December 2007 is 3***

Bill, December is a 3 Personal Month in a 9 Personal Year. It's time to lighten up. Be playful, enjoy yourself. Don't take things too serious. It is time to recharge your batteries.

There will be ample opportunity for social events and you should take advantage of that.

Your creativity is enhanced, and so is your sense of humor.

This is not a time to force any issues. Let things happen at their own pace. You are approaching a time of more energy, more opportunities, and progress, but before that happens, take this month to rest and relax.

Bill, you are entering a 1 Personal Year which brings much progress and a new beginning. This 9 Personal Year has been a year of letting go, next year is a time of renewal, almost rebirth.

### ***Your Personal Month for January 2008 is 2***

Bill, January is a 2 Personal Month in a 1 Personal Year. This is not a month to make important choices or decisions without a lot of careful consideration. Begin this process by taking a critical look at your current state of mind.

This is a month of some confusion and self-doubt. More mercurial than usual, you will likely switch from optimism to pessimism, and back again. This is to be expected when you are right in the middle of a major personality overhaul.

January is your first month of a new long-term cycle. Many of the changes you are going through require approximately two years; you have now begun the second of those years. Bill, your transformation can be compared to a low-level reformat of your inner hard-disk. When the job is done, much of the information is replaced, gaps are closed, and the bugs are ironed out. You can look forward to a time of greater self-confidence, more energy, and a refreshed and more positive outlook on life.

A 1 Personal Year, 2 Personal Month is highly charged in the areas of romance and friendships. You may well meet someone who will touch your heart deeply.

Friendships intensify and can be very comforting and healing.

You will likely find yourself being helpful to others, particularly as a counselor or adviser. The energies implicit in the month give you greater sensitivity to feelings -- yours, as well as those of others.

You will be tactful and capable of creating harmony where there was turmoil. At times, you may be overly sensitive, and may not handle criticism well.

The month starts slowly and with some difficulties. However, once you've passed the mid-point, you increasingly gain confidence, direction, and momentum toward your goals.

### ***Your Personal Month for February 2008 is 3***

Bill, February is a 3 Personal Month in a 1 Personal Year. It brings objective reasons for optimism. Now there is a sense of promise in the year. You see your direction a little clearer. There is a sense of beginning. This causes you to lighten up and become more social, especially during the latter part of the month. People are attracted to your upbeat attitude. You attract support from unexpected sources.

A new project ignites your excitement, energy, and motivation, all of which you are able to communicate to others.

The real work does not start until next month, and for that reason, this month offers some time for planning, as well as leisure and rest.

You are quick-witted and your sense of humor is enhanced. Friends are drawn to you and there will be plenty of invitations for social events.

Romance is exciting and promising. Bill, your self-expression is improved and you feel more comfortable talking about your feelings, your expectations, and your dreams.

## **PERSONAL DAYS**

Your career and financial affairs are the areas of your life that require the most attention. There are great opportunities as well as potential dangers. This is the year marked by opposites: times when everything seems to go your way, and other times when it seems the rug has been pulled out from under you. ### ***Your Personal Day-by-Day Forecast for July 2006***

Bill, July is a 6 Personal Month in an 8 Personal Year. It is an excellent time for business and financial affairs. Respect and recognition for past efforts is followed by financial gain or promotion. You are in a position to ask and receive what you believe to be your due. However, you may find that you are not as diplomatic as you might be. This is your most challenging weakness during this month. Guard against arrogance. Somewhat contradicting to this show of warmth and affection is the lack of tact and sensitivity you may display a number of times during this month. Bill, you may be too

intent on forcing people to see life as you do, rather than allowing them their own perspectives and their own rates of growth.
